# COMPANY FEATURES

# COMPANY FEATURES

## LEASING AND MANAGEMENT

Lormax Stern's thorough understanding of commercial real estate trends and consumer demographics surrounding the properties it operates ensures an outstanding tenant mix for sustained demand. The multi-disciplinary property management team is experienced in commercial real estate management, operations, leasing, marketing, and tenant relations.

## LAND & ASSET ACQUISITIONS

In commercial real estate development, the optimal location is imperative. By utilizing its broad network of contacts and first-hand market expertise, Lormax Stern acquires the most promising development parcels and build-to-suit opportunities. Exceptional internal research, proven transactional capability, and extensive financial resources enable the Company to act decisively in closing acquisition opportunities.

## ASSET ADVISORS

Lormax Stern Asset Advisors believe that lenders, special servicers and owners of troubled commercial properties can benefit from the experience and insight of a successful owner/developer. Unlike traditional third-party broker/property managers, Lormax Stern does not believe in a "one real estate asset management sized shoe fits all" approach.

Asset advisory services may include some or all of the following: property condition and inspection services; analysis of leases, tenant mix and vacancies; review of tenant retention policies; review of current leasing and marketing efforts; review of project operating costs, taxes and insurance; identification of existing loan provision impacts and refinancing possibilities; and confidential evaluation of current management.

# EXAMPLES OF PROJECTS

# EXAMPLE PROJECT

## ORLAND RIDGE

Orland Ridge is a 294 unit ground up multifamily residential development, designed to meet the goals of the Regional Core Planning District as outlined in the Comprehensive Land Use Plan for Orland Park. Located on a 57.72 acre site along the east side of LaGrange Road north of 171<sup>st</sup> Street, the site establishes the southern border of the Village.

With 2,113 feet of frontage on LaGrange Road, open spaces and natural features provide a buffer to the senior-targeted ranch villa apartments and multi-level townhomes. The master plan for the development is pedestrian friendly with excellent connectivity between the various components, offering numerous gathering places for residents.

## NORTHPORT BOAT YARD

Northport Boat Yard is the largest full-service dry storage marina and boat yard located in Grand Traverse Bay. The property is approximately 39.45 acres large with 22 buildings totaling 133,044 square feet. Northport Boat Yard offers 81,000 square feet of indoor heated storage and 40,600 square feet of indoor cold storage with ample outdoor storage space available.

There are 11 service/transient docks and 18 off-shore moorings, as well as three boat wells. The full-service facility offers everything from hull painting to fiberglass repairs in multiple heated workshops.

## MACOMB MALL

Conveniently located off of I-94 in the Detroit suburb of Roseville the iconic Macomb Mall has served shoppers for well over 50 years. This regional mall is located at the intersection of Gratiot Avenue and Masonic Boulevard. The Mall is currently anchored by Kohl's, Dick's Sporting Goods, Hobby Lobby and At Home. Renovated and redeveloped in 2014 Macomb Mall now boasts an enhanced retail mix including Michaels, Five Below, H&M, Forever 21, Ulta Beauty, Victoria's Secret, Old Navy, Bath & Body Works, White Barn, Torrid, DXL, Zales, and Kay Jewelers.

# EXAMPLE PROJECT

## GREEN OAK VILLAGE PLACE

Green Oak Village Place is a cross between a power center and a lifestyle center creating a community hybrid center. Located in Green Oak Township, Green Oak Village Place serves the Brighton, northern Ann Arbor, Howell, and Fenton Markets. The \$100 million Center opened in stages between 2006 and 2008. The Center includes six anchor stores (Barnes & Noble, Dick's Sporting Goods, DSW, HomeGoods, JCPenney, Old Navy) and more than 70 inline small shop tenants. The development plan was spurred by the rapid residential growth of Livingston County. Traffic along the US-23 corridor increased so much the Michigan Department of Transportation constructed one of the first roundabouts in the state to ease traffic at Lee Road.

# EXAMPLE PROJECT

## EVERGREEN PLAZA

Evergreen Plaza is a re-development of the Evergreen Mall that was built in 1964. Traditionally the Evergreen Plaza Mall has served the community of Evergreen Park and the area known as Beverly in South Chicago. In 2015 redevelopment began for the new 386,000 square foot Evergreen Plaza. The \$95MM project has newly constructed inline buildings that host national retailers such as Whole Foods, Burlington, TJ Maxx, Petco, DSW, Five Below and Ulta Beauty. There are also brand new outlots constructed along South Western Avenue with tenants including Starbucks, Raising Cane's Mod Pizza, Kay Jewelers and more.
